Game Plan for Families

- The top influences on your children are family, peers, and media (primarily music). Your game plan is to help your children make good choices in these three areas.
- Find the best school for your child.
- Attend a Bible based evangelical church.
- Go where the good kids are…encouraging those relationships with your children.
- Do not allow home computers or mobile devices in private rooms (bedrooms, bathrooms, etc.).
- Teach Your Children
    - How to Choose Good Friends
    - Privacy of Personal Information
    - Online Fire Drills….what to do when they encounter inappropriate content or contact online.
- Rules without a Relationship Leads to Rebellion – Protect your children through your relationship not by rules and technology.
- Inspect What You Expect
    - Know your child's passwords and/or have them show you their online profiles
    - Use Monitoring/Accountability Software
