

Katy Independent School District
Parent Permission for Student Participation in a Limited Public Forum

Student's Name:	Last	First	Middle	Lunch Period
-----------------	------	-------	--------	--------------

The Katy Independent School District allows community representatives to meet with secondary students at school in limited public forums during lunch periods to the extent allowed by space availability. Each individual representative seeking to conduct a limited public forum must submit an application for approval to the campus principal. Students may participate in one or more of the limited public forums; however, the student must have signed parent permission for each specific forum in order to participate. Individuals will be accommodated on a first-come, first-serve basis.

Each student wishing to participate in a public forum during lunch is responsible for:

- Obtaining and submitting a signed parent permission form to participate in a particular forum with a specific individual prior to participation.
- Recognizing that there are seating limitations and participation is on a first-come, first-serve basis.
- Refraining from soliciting on campus for other students to participate.
- Avoiding conversations or actions that may be offensive or disruptive in the cafeteria area.

It is the above-named student's desire to participate in the following public forum:
