

Adult Bible Study Guide

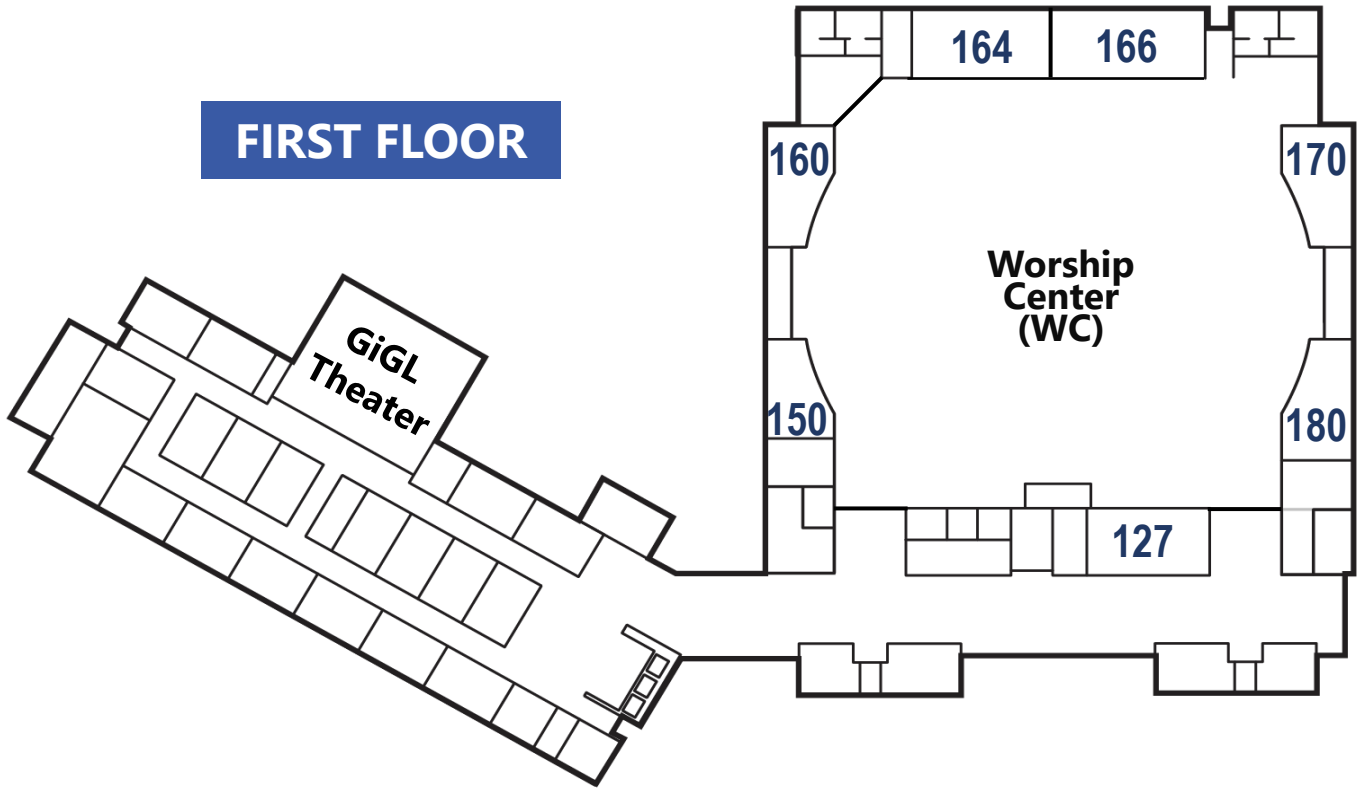

Looking to build friendships and grow in your faith? Try Bible Study! It is where our big church becomes small. There's a group for every member of your family.

If you have never been to Bible Study before, don't worry. The environment is laid back. No one will call on you. Regardless of your experience with the Bible, you will feel right at home.

No reservation is required! Head to the blue banner at the north end of the main lobby. Our friendly volunteers will point you and your family in the right direction.
