SBC SCHOOL OF PERFORMING ARTS

SUMMER 2024 POLICIES

Missed Lesson Policy (*Private Lessons*)

If a student is unable to attend a lesson, he or she must inform the School of Performing Arts office and/or the teacher at least 24 hours in advance to qualify as an excused absence. Teachers will be required to extend the same courtesy if they have to cancel a lesson.

Only two make-up lessons will be given for each semester, and those will be arranged according to the teacher's schedule. Both make-up lessons must be completed before the beginning of the next semester. There will **NOT** be any rolled over lessons or refunds for student absences whether excused or unexcused.

If a teacher is not informed that a student will miss his/her lesson, it will be counted as an **unexcused absence** and will **NOT** be made up.

Students will be required to make payment for lessons that:

1. They attend.
2. Are unexcused absences.
3. Are make-up lessons from an excused absence.

Missed Lesson Policy (*Summer Camps and Summer Dance*)

Due to the nature of the group environment, there will be no make-ups offered for missed time at our summer camps or classes, unless specified in our class schedule. We will offer an optional make-up time for students missing certain classes for summer camps through Second Baptist Church.

Refund Policy

The \$10 summer registration fee, which is not included in the price of all lessons and camps, is non-refundable.

Tuition for private lessons, dance classes, intensives or summer camps is non-refundable once the lessons, classes or camp has begun. Should a student need to terminate lessons or camp early, a refund of payments made cannot be given.

Materials/Curriculum

Students will be expected to provide their own instrument, accessories, and literature for private lessons, as required by their teacher. Pianos are available for students to play during their lesson time, but not for individual practice during the week. Teachers will inform students of any particular method books, musical pieces, etc., they will need, and it is the responsibility of the student to purchase these materials in a timely manner.

Musical Theatre & Dance Camp students will be asked to supplement pieces for costumes, but there will be no extra charge for costuming at summer camp. Worship Band Camp students should plan to provide a personal instrument, unless playing drums or keyboard.

SPA DANCE students will be required to purchase proper dancewear and shoes for the course.

Recitals/Performances

There is no recital for private lessons or the Summer Dance Intensives during the summer semester. All summer camps include a required performance for friends and family at the end of camp.
