**Jim Adkins** Continues recovery. The infection is gone, and strength is returning. 6/29/2025

**Rod Crosby** Please join me in prayer for healing over a lingering musculoskeletal issue causing pain in my chest and back. Praising the Lord that the x-ray was clear but pray the sports medicine will provide helpful information to alleviate pain. 6/29/2025

**Sayne Gonzalez** Pray that the Lord will guide Sayne in his personal walk-through life and his decisions. Pray for complete healing for the many bruises and any damage after falling off a two-story building. 6/29/2025

**Grace Udofia** Prayer for more anointing upon our Pastor Ben Young, for courage and strength to continue proclaiming the message of the cross that can save those that are lost. Pray also for the leaders, children's ministry, and teachers. May they find joy in all that they do for the glory of God the Father. Pray for praise teams, may they continue to find joy in all they do as to the Lord and not unto man. 6/29/2025

**Fermin Olalde** Please be praying for unity among our congregation so all will follow His will. And for my brother-in-law, Adrian, to draw near to God. 6/29/2025
