Pat Mantei had a very successful surgery this week and she is very thankful for all of the prayers. Let's continue to pray for a quick and painless recovery. 10/19/2025

Ed Stokes is still dealing with throat issues and is scheduled to have surgery in January. Please pray for guidance and comfort during this difficult time. 10/19/2025

Paulo Tosetto is having a biopsy on October 30th to check on a mass growth in his bladder. Please pray for a positive outcome. 10/26/2025

Yvonne Miller-Jones's son, Marcus has been rushed to the hospital (Methodist Sugarland) for emergency surgery. That is all we know right now. Please pray. 10/26/2025

Jo Lou Gibson's sister, Linda Llewellyn of Mooresville, NC, will undergo a lumpectomy on October 31st. The lump was found early, and the prognosis is good. They are not expecting lymph node involvement; thus, no chemo or radiation is anticipated. However, further treatment will depend on what is found in surgery and additional testing. She is very anxious about it all. Please pray for complete healing and that this will be a crossroads for her in her relationship with the Lord. 10/26/2025

LaJuanna Tidwell had reconstructive hand surgery on Friday, October 24. This is on her dominant hand, so the time frame for recovery will be uncertain. Please pray for a smooth and quick recovery. 10/26/2025
