Adult Bible Study Guide

Looking to build friendships and grow in your faith?

Try Bible Study! It is where our big church becomes small. There's a group for every member of your family.

If you have never been to Bible Study before, don't worry. The environment is laid back. No one will call on you. Regardless of your experience with the Bible, you will feel right at home.

No reservation is required! Head to the blue banner at the north end of the main lobby. Our friendly volunteers will point you and your family in the right direction.

What about the kids?

We offer Bible Study for every member of your family!

You can check in your birth through elementary-aged kids at the north end of our lobby. *SecondKids* offers age-appropriate Worship and Bible Study.

JHigh and High Schoolers head up to *Second Students* on the third floor for Bible Study. They'll attend Worship with you.

What about Wednesdays?

Kids birth through 5th grade can attend *WOW*.

Students in JHigh or High School can attend *LIVE*.

Adults can attend *Intermission*. All are invited. This group has the same "come & listen" format as our Sunday morning classes, but *Intermission* is always topical – so you'll hear something other than what is being covered Sunday mornings.
